

Connect Groups

The Heartbeat of TRC!

Connect Groups are the heartbeat of The Rock Church. They create a sense of family & help you build relationships, while making a big church feel like home. No matter what your interests, career goals, stage of life or zip code, there's a Connect Group that's a great fit for you. Connect groups meet bi-weekly, and are designed to help you meet and build deeper relationships and find family with others in your stage of life.

To get more information on groups in your area, please stop by the Connect Bar at one of our services, or register/log in at www.therockchurch.info and click the "Connect Groups" tab, where you can search for a group in your area or sign up for one. Someone will then reach out and provide you with more details. If you have any questions, please email us at info@trclife.com and one of our team will be glad to help.

We believe through community and doing life together you will get connected, foster friendships, and grow in your relationship with Jesus simply by surrounding yourself with others strong in their faith. We are excited to be a part of your journey.

Youth

Youth Connect Groups (YCG) happen every week at TRC. It's basically a huge party. We can guarantee these YCG's will be the perfect place for students to connect with the life that is Jesus.
